Dear Sir/Madam

Working toward empowering these imperative notions of our society, MoE's Innovation Cell, AICTE along with Bureau of Police Research and Development (BPR&D)(MHA) and Indian Cyber crime Coordination Center (I4C)(MHA) have announced 'KAVACH-2023' a unique national Hackathon to identify innovative concepts and technology solutions for addressing the security challenges of the 21st century faced by our intelligence agencies on **16 Feb 2023**. KAVACH-2023 is conceived to challenge India's innovative minds to conceptualize ideas and framework in the domain of cyber security using artificial intelligence, deep learning, machine learning, automation, big data and cloud computing.

KAVACH-2023 is a unique opportunity for higher institutional Students and Startups in India to submit their innovative ideas/concepts under the different problem statements. This event is going to be conducted in physical mode in two phase's .During this 36 hours hackathon, scheduled in the month of July-23, selected youths from education institutions across the country will participate to offer strong, safe and effective technology solutions using their technical expertise and innovative skills. Total Prize money worth Rs. 20,00,000 is announced for the winning teams.

This hackathon has 20 Problem statements related to the cyber security domain against which the innovative minds will be able to submit their ideas and compete against each other.

We invite you to be a part of this National initiative and contribute towards building a safer nation. For more details/guidelines/FAQS about the event please visit the official website <https://kavach.mic.gov.in/>

The registration is live, you can visit and register at : <https://kavach.mic.gov.in/signin>

for any queries feel free to reach out at KAVACH2023@GMAIL.COM or 011-29581225/1223

Regards,
KAVACH-2023 team
