

Ministry of Education (MoE) has announced a National Educational Alliance for Technology (NEAT) as a Public-Private partnership model between the Government (through its implementing agency AICTE) and the Education Technology companies of India. Through an open invitation and screening, companies are invited to showcase their products on a National Portal developed for the learners, who may procure them based on their requirements.

NEAT aims to bring the best technological Products in education pedagogy on a single platform for the convenience of learners. Technology Products using Artificial Intelligence for customized learning or e-content in niche areas having highly employable skills would be identified for showcasing on the portal.

The scheme also includes free coupons for existing students of higher education from the Economically and Socially disadvantaged students.

It is to inform you that AICTE is working to distribute the advance free coupons to students.

In this regard, it is requested to convey the students of your institute or institutes under your jurisdiction register on the portal and fill the choice of courses.

Register Now (Select Student Tab) and avail the benefit. The portal will open from 11th December 2021 and close on 17th December 2021.
