

**UNIVERSITY INSTITUTE OF ENGINEERING & TECHNOLOGY**  
**KURUKSHETRA UNIVERSITY, KURUKSHETRA**  
 Time Table M.TECH 1<sup>st</sup> Semester DEFENCE TECHNOLOGY  
 (Room No 219)

| Day/Timing | 9:00-9:55                      | 9:55-10:50                           | 10:50-11:45   | 11:45-12:40                          | 12:40--2:00 | 2:00-2:55                            | 2:55-3:50               | 3:50-4:45 |
|------------|--------------------------------|--------------------------------------|---|--------------------------------------|-------------|--------------------------------------|-------------------------|-----------|
| Monday     | DT-01-L01                      |                                      |   |                                      | LUNCH       | DT-EL02-02<br>Mr. Pankaj             | DT-EL02-02<br>Dr. Reeta |           |
| Tuesday    | DT-EL1-05<br>Dr. Sunil Dhingra |                                      | DT-01-L02   |                                      | LUNCH       | DT-EL02-02<br>Mr. Pankaj             | DT-01-01                |           |
| Wednesday  | DT-01-01                       |                                      | DT-EL1-05<br>Dr. Vishal<br>DT-EL1-04<br>Dr. Nikhil<br>Marriwala | DT-EL1-04<br>Dr. Nikhil<br>Marriwala | LUNCH       | DT-01-02                             | DT-01-03                |           |
| Thursday   | DT-01-01                       | DT-01-03                             |   |                                      | LUNCH       | DT-01-01                             | DT-01-02                |           |
| Friday     | DT-01-02                       | DT-EL1-05<br>Dr. Anuradha<br>Parinam | DT-01-02  | DT-01-03                             | LUNCH       | DT-EL1-04<br>Dr. Nikhil<br>Marriwala | DT-01-03                |           |

1. DT-EL1-05: Advanced Mechanical Engineering
2. DT-EL02-02: Optimization Theory and Application
3. DT-EL1-04: Communication Technology and
4. DT-01-L01: System and Platform Lab
5. DT-01-L02: Warfare Simulations and Strategies Lab
6. DT-01-03: Advanced Engineering Mathematics:
7. DT-01-01: Systems and warfare Platforms
8. DT-01-02: Warfare Simulations & Strategies
